

Lutheran Social Services of Wisconsin and Upper Michigan, Inc.
PREA Report
Reporting Period: 2024

Lutheran Social Services (LSS) provides a variety of services to clients who are involved with correctional systems. The majority of these clients have a substance use disorder (approximately 90%) and are receiving addiction recover services. All of these clients are also receiving services to address criminogenic risks and needs, as well as supports for successful community reintegration. Services include screening, assessment, outpatient treatment, day monitoring, case management, wrap-around services, medically monitored treatment, transitional residential treatment, and continuing care services. Clients may be involved with the Wisconsin Department of Community Corrections, the United State Probation Office, or the Federal Bureau of Prisons.

This report addresses clients in programming at facilities falling under PREA (Prison Rape Elimination Act) requirements. The residential facilities providing data for this report are:

- Aspen Center, Waukesha
- Affinity House, Eau Claire
- Barron Area Residential Treatment (BART), Barronett
- Exodus House, Hudson
- Fahrman Center, Eau Claire
- Wazee House, Black River Falls

Note that a new facility, Deep River, Neillsville WI, opened in April 2024 and will have their first audit in 2025.

Progress on PREA Audit requirements: 3 Facilities had PREA audits in 2024.

- Barron Area Residential Treatment (BART)
- Exodus House
- Fahrman Center

All 3 audits results in NO FINDINGS or Corrective Actions.

LSS Addictions/Restorative Justice Program continue to provide ongoing refresher trainings regarding various aspects of PREA, continue to complete PREA screening at 3 days post admission and again within 30 days of admission, and provide full training to all new hires in regard to PREA requirements and terminology.
